 YOUR PARTNERS IN
CASH HANDLING
INNOVATION

EFFORTLESSLY CLEAR
YOUR POKIES?

WITH A SMARTCLEAR
TROLLEY YOU CAN!

The SmartClear Note Clearance System is a dedicated stand alone clearance package which comes complete with an easy to use touch screen tablet. Clear your pokie notes with an easy to use platform that is Wildcat and TITO ready, housed within a slim-line integrated trolley.

The SmartClear Note Clearance System has been designed and developed by Prefect Agencies in Brisbane and the software has been written especially for the gaming industry. The system can be configured for most applications where large amounts of cash are processed.

The SmartClear Note Clearance System is the economic choice to make your daily clearances more accurate and efficient.
