 YOUR PARTNERS IN
CASH HANDLING
INNOVATION

EFFICIENTLY COUNT
AND SORT MULTIPLE
CURRENCIES?

WITH A SB-9 YOU
CAN!

The SB-9 Note Value Counter is a versatile two pocket multi-currency discrimination counter and sorter with variable count speed and multiple function capabilities. It can count up to 10 currencies and in mixed mode, identifies counterfeit notes using IR, UV and MG sensors.

The unit has been designed for mid to high use processing with a large hopper and stacker size, for accurate processing of large amounts of notes, ideal for foreign exchange outlets, banks and air-side retail. The unit will also issue sort old notes from the new RBA note series.
